Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicant's representative stated that his invention used two communication networks and that the gaming network bypassed the cellular network and did not use the cellular network for gaming operations. In addition, the applicant's representative stated that the Ladue reference used a combination of cellular and paging networks for communication. The examiner stated that the arguments would be considered when entered into the record and that the applicant's arguments appeared persuasive relevant to the previous office action.
